

I feel as a Democrat that Sinclair Broadcasting's has the right to air the anti-Kerry documentary days before the election is a clear example of what These POW's have the right to tell their story. why is Kerry so concerned if it is false.

As a Democrat I want to know what My Commander and Chief is all about and nothing put under the rug. Kerry is very deceptive and that is not what I want in a commander and chief.

So please air this and the FCC should not have a voice in this documentary. DNC does not say anything about Farenheit 9/11 which is false all the way through it. please send this as a postcard. Thank you.
